

**Funeral Planning**

Funeral pre-planning is simply a responsible part of estate planning just as is writing a will. By doing so, families receive the ability of being in complete control of their final wishes. Education on issues such as living wills, basic funeral law, funeral insurance and methods of locking funeral prices into place at today's cost will be discussed.

**Internet Job Search**

Are you seeking employment but haven't found a job yet? Many jobs are posted on the internet on sites like Indeed, Workopolis, linkedIn, and more. Ask us how we can help you get "connected". You will need to create an account, create a resume online, learn how to view and apply for jobs, and learn how to connect from your hand held device if desired. This is one of the many Learner Support Services that Newell Further Ed. provides. **Call 403-641-3444 to book an appointment.**

**Family Literacy Instructors Needed!**

Do you love kids, enjoy reading, and have an interest in helping other parents promote literacy at home? Newell Further Ed. is now offering Family Literacy programs in two of our communities and would like to expand to Duches. Please contact our office if interested in receiving training to run a great program in your community. **403-641-3444**
